

SYCAA CROSS COUNTRY LEAGUE 2021

Sunday 21st November

Campsall Country Park, Nr Askern

Location of Venue

Campsall Country Park is 8 miles north of Doncaster. One entry to the park is off the road between Campsall and Askern. There is also an footpath entry from the village.

How to Get There

From J37 of the A1(M) at Marr, continue north for 5 miles to Barnsdale Barr. Turn off the A1(M) here and cross the A1(M), taking the small road to Campsall, where it is called Bone Lane. At the end, in Campsall, turn left on to Sutton Road and follow for about half a mile to reach the country park parking area. Campsall Country Park is on your right.

Postcode for Satnav: **DN6 9LN**

Getting there by public transport is not really a viable option.

Parking

Parking at Campsall Country Park is limited and under no circumstances must the main gate to the meadow be obstructed as this is to allow emergency ambulance access. Please share transport wherever possible. There is some parking in the woodland area between the road and the park just before the Sports Centre, but not for many cars. We do **not** have use of the Sports Hall parking. Parking on the nearby estate is acceptable but please no blocking driveways of local people or causing unnecessary obstruction. It is acceptable to park in the village or adjacent estate. Here it is **essential** to park sensibly and not block any drives or resident access points (see below).

Refreshments

None on site.

Toilets

There will be four portable toilet units close to the course in the country park parking area.

About the courses

Campsall Country Park is an undulating parkland area. The small and medium laps are almost entirely on grass of varying length. The large lap uses a small area of farmland and also takes in the wood. On this lap there is a stile to negotiate and it remains to be seen whether the ditch will have sufficient water in it to trouble anyone!

Other information

Please note the instructions about parking in the village and estate. If we do not stick to this, we will lose Campsall as a venue for a second and final time.
