South Yorkshire Cross Country Relay Results

from Northern Cross Country Relays

Graves Park 21 October 2022

First of all many congratulations to everyone who took part. The event continues to grow in popularity and achieving a podium place is getting harder. On a perfect day for racing, South Yorkshire club teams won Northern medals in seven of the ten age categories and became Northern Champions in four. Full race results are on the Northern Athletics website.

I still have the South Yorkshire medals for the City of Sheffield & Dearne FU17 team and the Rotherham Harriers Senior Women's team. I will pass them on at the League event next week at Cannon Hall.
