SYSAA Selection Policy for National Track and Field Championships

To be held in Birmingham International Stadium 13th and 14th July 2018

South Yorkshire is a 'B' county we are allowed up to 40 athletes at the National Championships. For athletes to be considered for selection to represent the County at the National Track and Field Championships should have achieved a National or Entry Standard, however the gaining of an ESAA National or Entry Standard DOES NOT guarantee automatic selection.

The Selection Committee will meet immediately after the SYSAA Track and Field Championships and consider, in the following order

- a) Athletes becoming SYSAA Champion who gain the National or Entry Standard for their event at today's County Championships.
- b) Athletes who gain the National or Entry Standard for their event at today's County Championships.
- c) Athletes who have gained National or Entry Standard for their event but have not competed in the championships as they were on national representative duties
- d) Athletes who have not achieved the required standard at today's Championships but have done so at a previous approved meeting this season. They must have submitted a claim form with the required information, through their area manager, for consideration
- e) If all 40 places have not been filled, then the remaining places may be filled by athletes who the Selection Committee warrants inclusion in the squad.
- f) Athletes who the Selection Committee consider are appropriate nominated substitutes.

Performances will be considered at the Selection Meeting immediately after the County Championships. To do this the Committee will use in addition to today's championship results and results from genuine claims, results from: -

- a) Yorkshire Championships
- b) NoEAA U15/U17 Championships
- c) Performances published on the Power of 10

Athletes claiming performances who are selected but are currently injured will be subject to the full price of the costs incurred by SYSAA should they not be fully fit by the time of the ESAA championships; providing their place at those championships cannot be substituted by a nominated athlete. Should the athlete not fulfil the payment they will forfeit the right to be selected for future ESSA Championships, until the payment is made.

In the event of severe weather causing the cancellation of our Championships, the Selection Committee reserves the right to select the whole team based on all available evidence and results Athletes who are selected to represent South Yorkshire at the Championships will be informed by letter through their area management. Confirmation of their availability and all other relevant information must be returned to the County Secretary within the time stated.

The Field Referee and Officials will try to keep to the plan above. Progress will depend on that of the events in previously. Please listen for announcements.

South Yorkshire Schools' AA would like to thank all technical officials and helpers at today's Championships together with Doncaster AC Club and Staff. We would also like to thank all teachers and parents of athletes who continue to give their time through team management and organisation at these championships and events prior to and after this event. We must not forget that up to 40 athletes who will be chosen after these championships will be accompanied to Birmingham by Team Managers who are teaching staff from the 4 areas who give their time willingly.

The 2018 ESAA Standards that are displayed in the stadium are those that athletes should be aiming to achieve.

Money raised from the gate at today's event will be used by the SYSAA to fund all its activities e.g.

- The hire of the Keepmoat Stadium today.

- **Expenses incurred these T&F Championships Officials out of pocket expenses, paper work, numbers.**
- **Subsidy of activities where gate money is not practicable e.g Combined Events**
- **Subsidy of entry fees at ESAA National Level.**
- **Subsidy of expenses at ESAA Track and Field Championships, Cross Country Championships, Combined Events and Race Walking.**
- **Affiliation fees, Transport, Accommodation, Insurance.**
